## For buyers registered locally with Marhaba Cars Auction in UAE

**Introduction:** IAA and Marhaba Cars Auction (MCA) work together to enable MCA to sell vehicles in UAE on the IAA auction platform. As a locally registered buyer at MCA, you will have an IAA bid number along with online login credentials to IAAI.com to access MCA auctions. Your IAA bidding credentials enable you to bid only at MCA.

A separate IAA Buyer ID number is required if you wish to purchase at other IAA locations in the United States, IAA-UK and Impact Auto Auctions (Canada). Marhaba Cars Auction can help with this because they are also IAA's Market Alliance partner in UAE. As our official partner in UAE, they have the ability to assist local buyers with purchases at any of our locations where they meet State licensing requirements. If approved by the Marhaba operated IAA Auction Center, you will receive a separate buyer number and login ID for use in purchasing from locations outside of the UAE.
